I'm pretty sure 10 am start will be fine, but if at all possible, could we start the second meeting at 1 or 1:30 so we can be back on the road a little earlier..? But if the first meeting needs that additional time, we'll work with your schedule.

Can the State do meetings at 10:00 and 2:00 c.s.t? I envision the first meeting being with the U.S., the Trust and State. The second meeting would be the US, Trust, State and City if the City comes out (or calls in).

Pls let me know ASAP. Thanks, Chuck
